Our Story

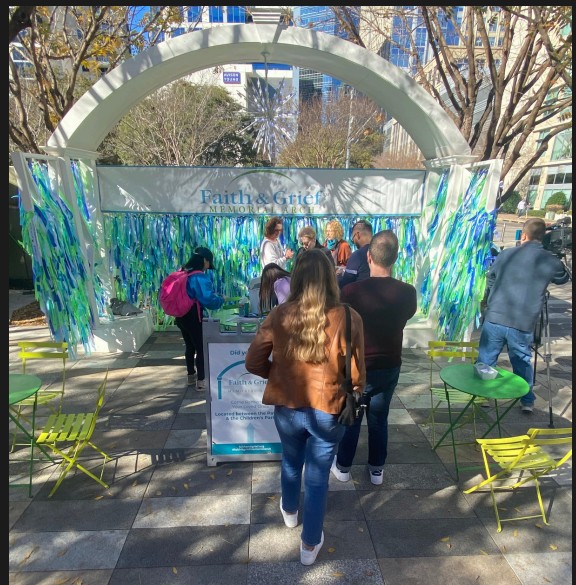

FAITH & GRIEF

Our mission is to provide opportunities for comfort & hope to those who have experienced the death of a loved one. We collaborate with organizations providing grief support programs for their communities and online. We and our host organizations offer monthly grief support gatherings, the Faith & Grief Workshop, and weekend retreats. We also host the Faith & Grief podcast and offer online grief resources.

ANNUAL MEMORIAL ARCH

For the ninth year, the Faith & Grief Memorial Arch is a place of hope and comfort for those grieving the loss of a loved one. We host the Arch each holiday season in Dallas' Klyde Warren Park. Visitors write the name of a loved one on a ribbon and add the ribbon to the Arch as a symbol of remembrance. Over 20,000 ribbons have been placed since we began the arch in 2016.

The Faith & Grief Memorial Arch was a direct response to the community tragedy experienced when five first responders were killed in Dallas following a vigil and march held to remember others who died by violence.

BECOME A PART OF THE STORY

Everyone deserves a place to remember their loved ones who have died, and the Faith & Grief Memorial Arch provides that opportunity for the entire community. Please consider becoming a sponsor and a part of the Memorial Arch's story, contact us at archsponsor@faithandgrief.org.
